- 3) Reasons for involuntary terminations: customers were disconnected either for non-payment of electric bills, or for conditions on the customer's side of the point of delivery deemed by PEC to be dangerous to life or property. Totals were as follows:

Reason	October	November	December
Non payment	2184	1732	1591
Hazard	37	28	32

- 4) Average duration of involuntary terminations:

0.67 days (based on instances in which PEC can confirm that the reconnect is in the same name and same premise as the disconnect)

- 5) Company procedures in effect governing involuntary terminations, including any procedures followed by the utilities to inform customers who faced termination of those regulations and programs which may offer those customers assistance in maintaining their service:

"PEC Residential Delinquent Account Disconnection Procedures – South Carolina" and samples of PEC's Final Notice and Notice of Proposed Termination were filed with PEC's Fourth Quarter 2004 report. No changes in these procedures have occurred since then.
